Introduction

The Global Epicentre of Knowledge,

Incredible India

Guided by the ancient wisdom of "Vasudhaiva Kutumbakam" - "the world is one family" invites you to experience a unique blend of tradition and modernity in its education system. With globally acclaimed institutions, cutting-edge research, and a rich cultural heritage, India offers an ideal environment for your academic and personal growth. As one of the top destinations for higher education, India provides you with the opportunity to unlock your potential and succeed on the global stage.

- India is the world's fifth largest economy by nominal GDP and the third largest by purchasing power parity.
- As the largest economy in Asia, India is set to grow at 6.6% in 2025, maintaining its position as a major driver of global growth and becoming the 3rd largest economy by 2030.
- Education in India is affordable when compared to developed countries yet at par with the standards maintained by them.

The City Beautiful,

Chandigarh

For a safe and cosmopolitan destination that offers a welcoming and multicultural experience while studying, look no further than Chandigarh. Adorned in the foothills of the Shivalik ranges of the Himalayas, Chandigarh is one of the few fully planned cities in the world. There's a lot to explore here, from the UNESCO-listed Chandigarh's Capitol Complex and world famous Rock Garden, Sukhna Lake, Leisure Valley, Parrot Bird Sanctuary, Rose Garden, and many more.

The CU Advantage

MULTI-DISCIPLINARY UNIVERSITY

Our institution is a beacon of multidisciplinary education, offering more than 150+ programs across diverse domains, including engineering, management, sciences, law, hospitality and more. With more than 18 specialised schools, we encourage students to explore widely and think critically. Universally acceptable degrees due to top rankings and accreditation globally such as QS rankings and ABET, and locally in the form of NIRF, and NAAC.

CROSS-DISCIPLINARY RESEARCH

Our research spans a broad spectrum of disciplines, with numerous patents filed and a wealth of research publications, delivering transformative solutions for global challenges and drive profound societal impact.

GLOBAL VISION

Our collaborations with 515+ universities across 100+ countries facilitate articulation programs and research opportunities, providing our students with a global perspective.

EXPERT-DRIVEN MENTORSHIP

Our learners get the opportunity to engage with Nobel Laureates, international academicians, and industry stalwarts to gain intergenerational and intercultural knowledge.

DIVERSITY & INCLUSION

Our student community, which spans 65+ countries and all 28 Indian States and 8 Union territories, fosters a dynamic learning environment that values and integrates every unique perspective, thereby fostering intellectual growth.

GLOBAL ALUMNI NETWORK

A network of more than 100,000 accomplished alumni, representing a vast array of industries, underscores our extensive professional connectivity

SCHOLARSHIPS

Our merit-based scholarships reward academic excellence and financially support deserving students, ensuring that bright minds from all backgrounds pursue their dreams without financial barriers

DEGREES WITH HIGH EMPLOYABILITY VALUE

Our programs are designed with a focus on industry-relevant curriculum

We are India's #1 PRIVATE UNIVERSITY

BY QS ASIA RANKINGS 2025

At Chandigarh University, we are led by our values. As a premier institution of higher learning, we take pride in our commitment to academic excellence, innovation, and a student-centric approach. We are among the leading private universities of India, as per QS World University Rankings 2025 - a testament to our country's rise to global eminence in academia.

Students from 65+ Nations

Our 150+ acre campus is designed with students' in mind. We have state-of-the-art needs infrastructure, cutting-edge laboratories, resourceful libraries, comfortable hostels and recreational spaces. Living on campus is an integral part of the eclectic, cross-cultural CU experience.

THE FIRST PRIVATE UNIVERSITY IN INDIA

to have the highest number of engineering programs accredited by ABET

THE GOLDEN BENCHMARK OF HIGHER EDUCATION

Accreditation Board for Engineering & Technology (ABET) is a US-based premier global accreditation body for engineering and technology programs.

An ABET-accredited education verifies that your education meets the global standard of technical education. It enhances your global job prospects in multinational corporations.

NBA Accreditation for Engineering and MBA Programs

The National Board of Accreditation (NBA) is a major body responsible for accreditation of higher education institutions in India. The purpose of the accreditation by NBA is to promote and recognize excellence in technical education in colleges and universities.

International and National Memberships

International Association of Universities (IAU)

The IAU is a UNESCO-based association of higher education institutions. It brings together institutions from 120+ countries to collaborate for higher education concerns.

Association of Commonwealth Universities (ACU)

The ACU is the world's first & oldest international university network that unites with many of the most prestigious universities internationally with newer institutions.

Association of Indian Universities (AIU)

Chandigarh University is a member of Association of Indian Universities. AIU undertakes various programs to contribute to the growth and propagation Of knowledge.

Institute of Electrical and Electronics Engineers (IEEE)

IEEE is the world's largest professional association dedicated to advancing technological innovation and excellence for the benefit of humanity.

The American Society of Mechanical Engineers (ASME)

The ASME promotes the art, science & practice of multidisciplinary engineering and allied sciences around the globe.

American Chemical Society (ACS)

ACS is a congressionally chartered independent membership organization which represents professionals at all degree levels and in all fields sciences especially chemistry.

Lifetime Membership of Institution of Engineers, India

The largest multi-disciplinary professional body of engineers

Research that Shapes the Future

Chandigarh University stands at the forefront of pioneering research, advancing and applying engineering principles to tackle the critical challenges of the 21st century. We are shaping transformative solutions that define the future of technology and society.

University Centre for Research and Development

The University Centre for Research and Development provides students with unparalleled opportunities to explore, innovate, and harness the latest advancements in technology, fostering a culture of discovery and excellence.

Our Core Research Areas

- ▣ Sustainable Development
- ▣ Information and Technology
- ▣ Healthcare
- ▣ Additive Manufacturing
- ▣ Robotics and Automation
- ▣ Nanotechnology
- ▣ Product Manufacturing
- ▣ Quantum Computing
- ▣ Biomechanics
- ▣ Artificial Intelligence
- ▣ Machine Learning
- ▣ Advanced Materials

Start-up facilities only at CU-TBI

- ▣ Mol-Biology Lab
- ▣ 3D Printing Lab
- ▣ FMS Lab
- ▣ Genetics Lab
- ▣ Industry Mentorship
- ▣ XRD Lab
- ▣ SEM Lab
- ▣ Company Registration
- ▣ AI Lab

Research Infrastructure for Innovation and Discovery

Driven by advanced infrastructure, the Chandigarh University campus is home to state-of-the-art industry-collaborated research labs and centres of excellence, fostering breakthrough discoveries.

15+ Industry-Collaborated Centres of Excellence and Labs

- COE in Advanced Computing Technologies - Paloalto
- COE in Cloud Computing - Virtusa
- COE in Data Analytics and Digital Transformation - AWS
- COE in Cyber Security - Tech Mahindra
- COE in Indigenous Processor Development - IIT Guwahati, CDAC, Precision Semi, Vega Processor, Silizium Circuits
- COE for Geoinformatics and Remote Sensing - ISRS, Punjab Remote Sensing Centre
- COE for Science in Happiness - Rekhi
- COE in Automobile Engineering - MG. Volvo, Hyundai, Hero, Mahindra
- COE in Automobile Engineering - Eicher Motors
- Digital Virtusa Lab
- ORACLE Academy Lab
- IBM Software Lab
- CISCO Networking Lab
- Hewlett Packard Enterprise-CU Lab
- KPIT Embedded Systems Lab
- ALTIUM PCB Design Lab
- Honda Research and Skill Development Centre

Kalpna Chawla Centre for Research in Space Science and Technology

The Hon'ble Defense Minister of India, Shri Rajnath Singh, inaugurated the KCCRSST at Chandigarh University, a hub for space technology advancement through research, discovery, and education. The Centre offers satellite design and launch training to students from 21 countries and connects with 28 nations via the Satellite Networked Open Ground Station (SatNOGS).

Distinctive Features of the Ground Station

- Connect with SatNOGS networked ground stations worldwide
- Research on 3D-printed materials for future space exploration
- Thermal Study of Materials in Vacuum
- Stargazing Center

International Collaborations

Our collaborations with **515+ universities** across **100+ countries** facilitate articulation programs and research opportunities, providing our students with a global perspective.

Portal to Global Learning

Chandigarh University Weaves a global tapestry of collaboration, partnering with universities, research institutes, and international organisations, unlocking unparalleled opportunities for our students to learn, grow, and excel.

INTERNATIONAL TRANSFER PROGRAMS

Complete 1 or 2 years of your degree at CU and transfer to a foreign country to get degree from a foreign university.

INTERNATIONAL PROGRESSION PROGRAMS

International students can earn a master's degree at Chandigarh University after their bachelor's degree, or vice-versa. They can also pursue a Doctor of Philosophy (Ph.D.) after their master's degree.

SEMESTER EXCHANGE PROGRAMS

Opportunity to progress in career, Enhance your resume by spending a semester at a foreign university.

CULTURAL EXCHANGE/ SUMMER PROGRAMS

Combine learning and earning by facilitating international internships at incredible locations.

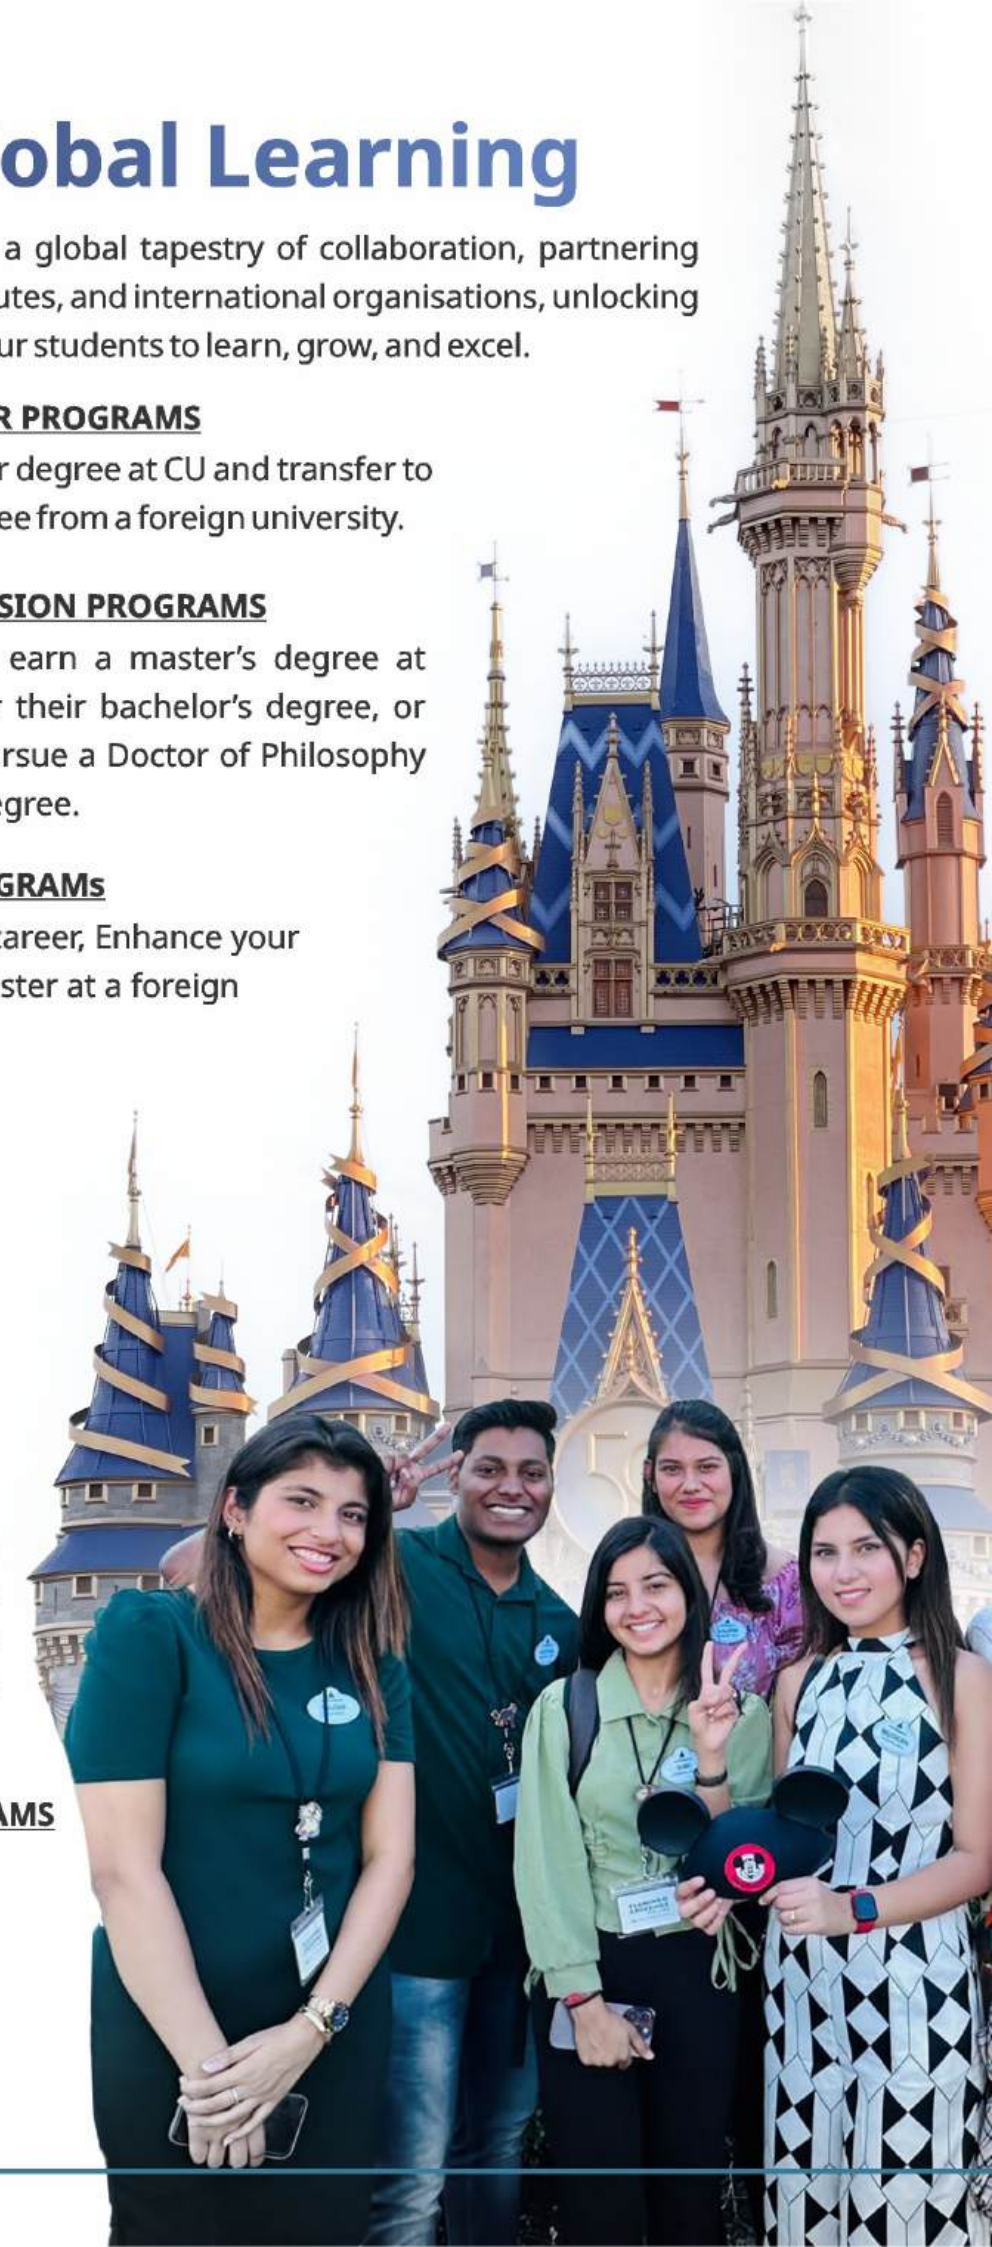

EXECUTIVE LEADERSHIP PROGRAMS

Transform yourself into business leaders through strategic leadership skills and global business acumen.

PROJECT SEMESTER PROGRAMS

Engage in a two-month study program followed by extended internships for 3-4 months.

*Subject to Visa Conditions

Modern Hostel Living

Chandigarh University Campus has separate hostels for boys and girls with all modern facilities and attached mess. The hostel mess serves fresh and hygienic food. You will be provided with facilities like internet, music room, and common room with TV & cable facility, automatic laundry service, salon facilities, room for indoor games and a reading room with a collection of national/international newspapers, magazines, etc. The hostels' houses have a fully equipped gym and separate courts for Cricket, Volleyball, Basketball, and Badminton. The concerned and highly-experienced staff looks after the university assets and ensures that the hostel remains responsive all the time.

Key features:

Multiple tuck shops serve all daily need items inside the hostels including dry eatables, stationery, and household essentials.

A team of efficient housekeeping staff is provided in each hostel to maintain cleanliness.

The hostel serves fresh and hygienic food with vegetarian and non-vegetarian meals on different days mentioned in the mess menu.

Students living in hostels can engage in various sporting activities at cricket, tennis, volleyball, badminton, and basketball facilities.

Music rooms and indoor games are also present at the hostels enabling students to explore the lighter side of their life.

Staying connected with loved ones and for personal entertainment students can use the 24x7 Wi-Fi internet facility.

Taking care of fitness is possible through well-equipped gymnasiums with trainers to guide students.

Well-equipped reading rooms, saloons, visitors & guest rooms help students keep boredom at bay by creating a homely atmosphere.

Ensuring uninterrupted daily chores hostels have uninterrupted power supply and hot water supply during winters.

Experience Multi-Cultural Campus

Home to students from 65 countries, all states, and union territories of India, Chandigarh University is the biggest multicultural campus in India. The year-round celebrations and galas provide for an active and memorable student life.

PLETHORA OF WORLD-CLASS FACILITIES AT INDIA'S NO. 1 PRIVATE UNIVERSITY

At Chandigarh University, you will find a range of high quality facilities and learning resources that will enable you to succeed in your career while embracing the feeling of being at home away from home.

Infrastructure

The state-of-the-art infrastructure spanning an 150-acre verdant campus at Chandigarh University offers students globally bench-marked facilities.

E-Classrooms

Committed to visionary education, we seamlessly blend technology and learning to empower the next generation of innovators, keeping you informed on the latest trends in education.

IT Resources

The University has a robust IT infrastructure to ensure a digitally abled academic journey for students.

Wi-fi Campus

In order to stay seamlessly connected to knowledge and innovation worldwide, fostering digital literacy among young minds.

Food Court

The University offers a wide range of nutritious choices for breakfast, lunch, and refreshments every day through varied alternatives of food courts.

Library

The silent heavens of knowledge within the walls of the campus. With its vast collection of books, it is a treasure trove of knowledge and a hub of intellectual exploration for scholars and students alike.

Clubs & Societies

Aim at giving the students an opportunity to dabble in the fine arts, music, dance, and theatre – everything that feeds the mind and spirit.

Hostel

The CU campus has separate accommodations for boys and girls with a mess facility. The hostels are designed so as to provide students the feeling of a home away from home.

Prayer Rooms

The prayer rooms at the university hostels serves as a serene space for students of diverse faiths to seek solace and spiritual connection amidst their busy academic lives.

International Student Care Centre

To attend to students' queries and concerns 24/7, the university remains consistently responsive to both questions and feedback from the student body.

Fitness Centers

Chandigarh University has fully equipped gymnasiums with highly qualified and competent trainers. The aim is for overall development of the child.

Sports

State-of-the-art sports facilities to cater to the diverse needs of champions - in -making. The dedicated team of trainers and coaches nurture the sports talent while promoting fitness.

24x7 Campus Security

The fleet of professional male and female security guards ensure a safe and secure environment for students and staff.

Banking Facilities

The University offers students access to banking services through on-campus branches of SBI and HDFC, along with ATMs of PNB & HDFC Banks.

Medical Facilities

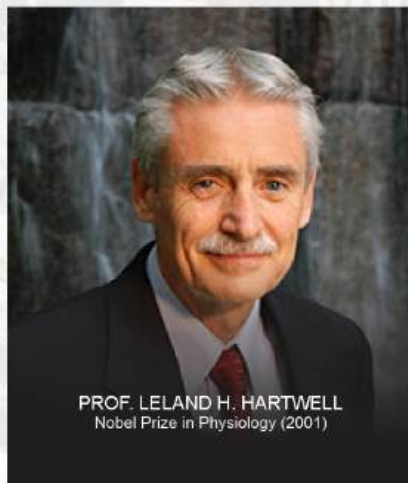

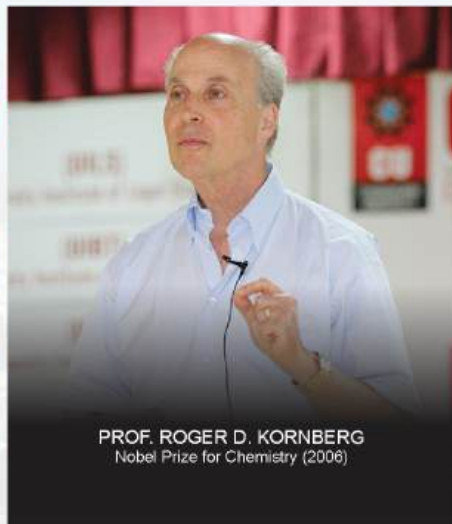

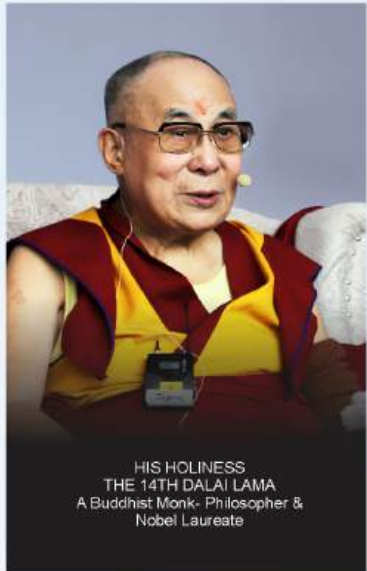

The University has its own medical center where medical facilities are provided to the students

Transport

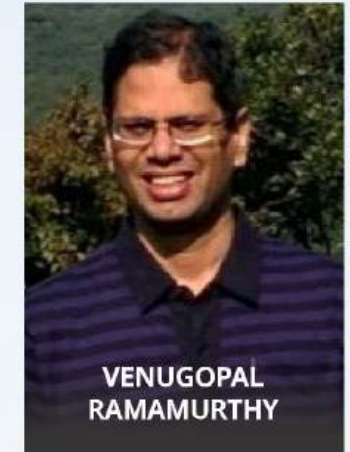

Chandigarh University owns a fleet of modern transport buses that ply from a number of locations at a reasonable price. For commutation within the campus, the university houses a fleet of e-carts as well.

Learning from Nobel Laureates

At Chandigarh University, we give our students an elite educational experience by making them learn directly from renowned Nobel Laureates, Industry Leaders and Academicians.

Learning from Tech Titans

Learning from World's Top Minds

Leading in Forging Global Partnership

Chandigarh University has been at the forefront of partnering with distinguished delegates from various countries. Facilitating the development of a practically apt curriculum and comprehensive program structure in tune with industry trends, cultivating the next generation of leaders and professionals.

While participating in the first of its kind Diplomatic Conclave organised by Chandigarh University saw 170+ ambassadors and senior diplomats from 120+ nations deliberated on the global issues including exploring avenues for internationalisation of higher education.

Fostering International Academic Development

Former Vice-President M. Venkaiah Naidu inaugurates 2-day-long International Conference at Chandigarh University. Supreme Court Judges, representatives from 20 countries, UN, HP High Court Chief Justice among 4000 deliberate at Chandigarh University on future roadmap for a better world.

The 8th Edition of the International Faculty Development Program attracted over 100+ distinguished international academicians from more than 90+ top ranked universities across 30+ countries.

Simplified Application Process

Registration & Documentation

- Visit <https://international.cuchd.in/>
- Fill all the required information
- Share your academic documents at international@cumail.in

Offer Letter

- Your offer letter will be sent on your registered email after verification of documents.

Payment of Fees

- You must transfer the admission fee to the university bank account specified in the offer letter and send the payment transaction proofs on international@cumail.in

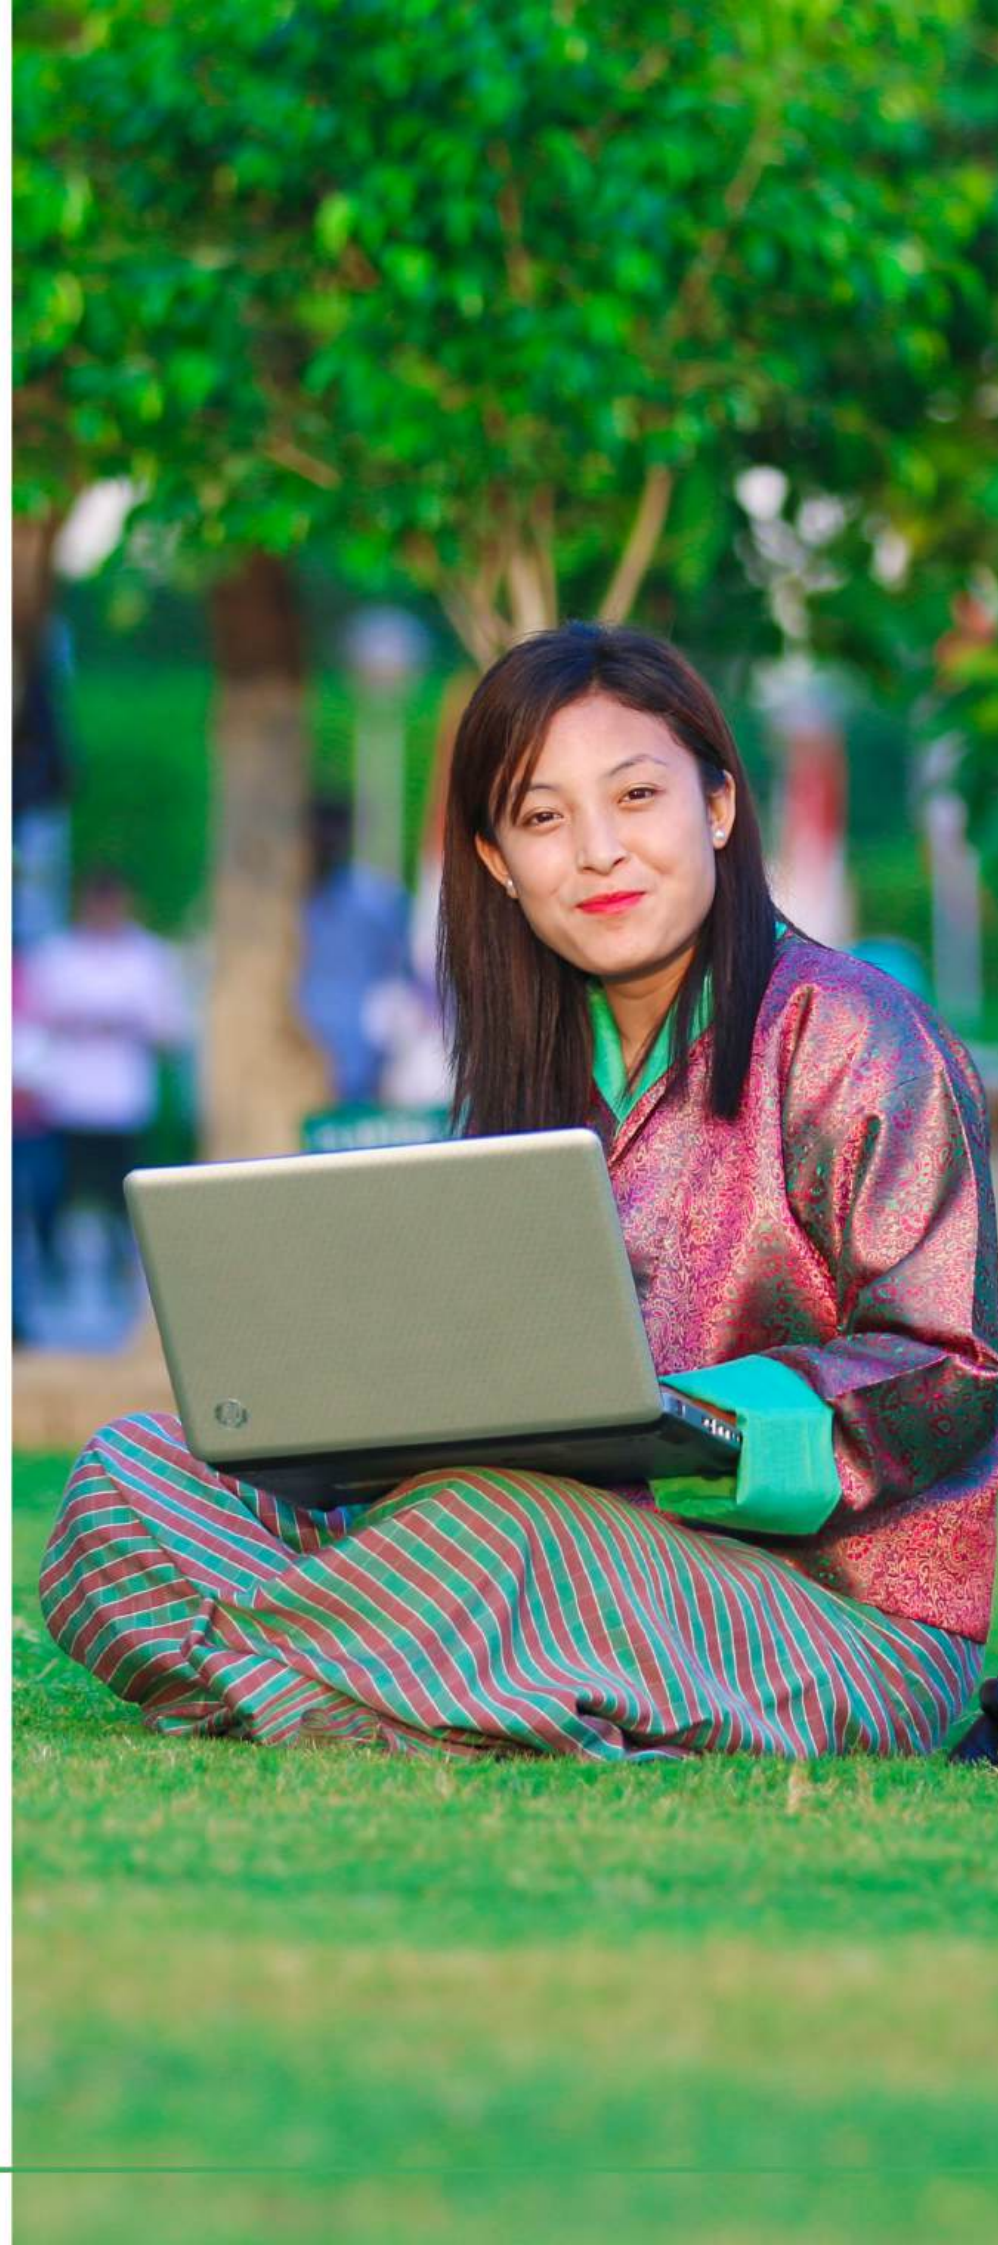

Acceptance Letter

- After verifying the conditions in the offer letter and confirming the payment transfer, the university will send the acceptance letter on your registered email address.

Apply for Visa

- Use the official Acceptance Letter (not Offer Letter) from the university to apply for an Indian student study visa.

International Student Support

Pre Arrival Information

• DOCUMENT CHECKLIST:

- Original and photocopies of all academic certificates/transcripts/ marksheets/degrees/diplomas and at least 10 passport size photographs
- Original and photocopy of passport/national ID/birth certificate and visa
- Original Fee Transfer Receipt (SWIFT Advice from your Bank) of Academic as well as Hostel Fee
- Ensure proper Vaccinations (Yellow fever/ HIV/COVID-19 etc.) to avoid medical complications
- Copy of Medical Fitness Certificate

NOTE:

Airport pickup from New Delhi International Airport or Chandigarh International Airport is strictly on advance booking basis. The requirement must be either submitted with CU Admission Office in your Home country or with International Admission Department via e-mail at international@cumail.in, at least two weeks before your Flight date. Provide us your flight details so as to avail the complimentary pick up service.

Post Arrival Information

University Registration:

On arriving at Chandigarh University Campus, you shall report initially at the International Admission Department (Block B1) and undergo University Registration Process. Documents Verification will be done during your Registration Process. Make sure that you carry all the documents mentioned above.

Payment of Tuition & Hostel Fees :

Tuition fee (including Hostel fee) has to be paid at the time of registration with the university. Any delay in clearing the payment due to any reason will result in holding your Student Registration until the dues are cleared.

LEADING IN CREATING A MULTICULTURAL LEARNING ENVIRONMENT

The vibrant mix of cultures and perspectives at CU creates a dynamic learning environment where students gain academic knowledge while broadening their global outlook. The inclusive atmosphere fosters collaboration and mutual respect, preparing students to thrive in an interconnected world. At CU, diversity is celebrated, empowering students to learn from each other and grow into culturally aware individuals.

“

"Practical exposure at industry-collaborated labs at Chandigarh University has been very fruitful. I feel confident in using what I have learned."

Mr. Dumisani Chinyanga
B.E. Artificial Intelligence & Machine Learning

ZIMBABWE

“

"Coming from the neighboring country Nepal, and studying at Chandigarh University has been my best decision. Staying at a hostel here feels like a home away from home."

Ms. Manisha Kumari
B.E. Computer Science Engineering

NEPAL

“

"I choose Chandigarh University because of its excellent reputation and the greater choice of modules that my chosen program offers."

Ms. Julieth Julius Keyyu
B.A. Economics

TANZANIA

“

"I appreciate the learning system and staff approach at Chandigarh University. Coming here has helped me in achieving my goals and so can you."

Mr. Devin Gurung
Bachelor of Commerce (Hons.)

BHUTAN

“

"Chandigarh University has a hospitable environment and there has been no cause of worry during my study tenure. I just need to focus on my studies which is top class."

Ms. Lomathemba Qoma
B.Sc. Computer Science

MALAWI

“

"Studying at Chandigarh University has been a game changer for me, the comprehensive curriculum and state-of-the-art labs provided me with a solid foundation."

Mr. Ornob Das
Bachelor of Optometry

BANGLADESH

Chandigarh University Proudly Hosts a Diverse Community of Students from Numerous Countries Across the Globe

UNDER GRADUATE PROGRAMS WITH FEE STRUCTURE

	Tuition Fee Per Semester (USD) Before Scholarship
ENGINEERING (4 Years)	
A) Bachelor of Engineering (B.E.)	
• B.E. - Computer Science & Engineering (CSE)	3000/-
• B.E. - Chemical Engineering (CHE)	3000/-
• B.E. - Information Technology (IT)	3000/-
• B.E. - Electronics & Communication Engg. (ECE)	3000/-
• B.E. - Electrical Engineering (EE)	3000/-
• B.E. - Civil Engineering (CE)	3000/-
• B.E. - Mechanical Engineering (ME)	3000/-
• B.E. - Aerospace Engineering (AE)	3000/-
• B.E. - Automobile Engineering (AME)	3000/-
• B.E. - Mechatronics Engineering	3000/-
• B.E. - Food Technology (FT)	3000/-
• B.E. - Biotechnology (BT)	3000/-
• B.E. - CSE (Full Stack Development)	3500/-
Industry Collaborative Engineering Programs (With IBM/TCS)	
B) Bachelor of Engineering (Hons.) (4 Years)	
• B.E. CSE - Cloud Computing	3500/-
• B.E. CSE - Cyber Security	3500/-
• B.E. CSE - Data Science	3500/-
• B.E. Computer Science & Business System – TCS	3500/-
• B.E. CSE - Internet of Things & Artificial Intelligence	3500/-
• B.E. CSE - Artificial Intelligence & Machine Learning	3500/-
*Lateral Entry Programs are also available	

MANAGEMENT (4* Years)	
A) Bachelor of Business Administration	
• BBA (Hons.) - General	1750/-
• BBA (Hons.) - Advertising & Marketing	1750/-
• BBA (Hons.) - Tourism & Event Management	1750/-
• BBA (Hons.) - Forex Management	1750/-
• BBA (Hons.) - Health Care Management	1750/-
• BBA (Hons.) - Strategic HR	2000/-
• BBA (Hons.) - Logistics and Supply Chain Management	2000/-
• BBA (Hons.) - Fintech	2000/-
• BBA (Hons.) - ACCA	2000/-*
B) Bachelor of Business Administration (4 Years)	
• BBA (Hons.) - Business Analytics	2000/-
• BBA (Hons.) - Digital Marketing	2000/-
*Plus certification cost extra to be paid by the student	

COMMERCE (4* Years)	
• B.Com (Hons.) - General (Auditing & Taxation / E Commerce / Marketing / Financial Markets / Advanced Cost & Management Accounting)	1750/-
• B.Com (Hons.) in association with ACCA	2000/-*
• B.Com (Hons.) - Capital Markets	2000/-
• B.A. (Hons.) - Economics	2000/-
*Plus certification cost extra to be paid by the student	

COMPUTING (4* Years)	
• B.Sc (Hons.) - Computer Science	1750/-
• BCA (Hons.) - Bachelor of Computer Applications	1750/-
• BCA (Hons.) - Augmented Reality and Virtual Reality (AR&VR)	2000/-
